All of the people at MKYRA are awesome. The older kids help the younger ones and everyone is family. I can't wait until the next rodeo! MKYRA rodeo promotes sportsmanship, teamwork and horsemanship. MKYRA helps kids build confidence, encourages them to believe in themselves, and helps make us the kids that you want to be around. I encourage everyone that I can to join MKYRA. # MO-KAN YOUTH RODEO ASSOCIATION SPONSORSHIP

Thank you for your time and consideration in becoming a MO-KAN YOUTH RODEO ASSOCIATION sponsor. Rodeo has become one of America's favorite sports in the last few years and youth rodeos are an exciting beginning for many of today's pro-rodeo champions. Our association, which was formed in 1992, strives to provide the youth of Missouri and Kansas the opportunity to participate in family oriented weekend events that are drug and alcohol free, but at the same time fun, exciting and challenging.

As we begin another rodeo season for this fast growing organization, we are looking for companies and individuals interested in becoming a part of this exciting and rewarding association. Your sponsorship to MO-KAN will provide advertising for you. Your company will be recognized at all of our rodeos and will be on our website. MO-KAN would be proud to fly your company flag or banner at as many of our rodeos as possible.

For additional information please contact one of the MKYRA board members or visit our website at [www.mkyra.org](http://www.mkyra.org). Once again, thank you for your consideration in becoming a sponsor of the MO-KAN YOUTH RODEO ASSOCIATION.
